Course Overview

Create a stunning floral centrepiece to enhance your wedding or special celebration in this hands-on creative workshop. You will be introduced to the art of designing and arranging personalised floral table decorations, exploring techniques to create beautiful displays that reflect your chosen theme and style. Working with your own flowers and foliage, you will learn how to combine colours, textures and shapes to produce an eye-catching centrepiece for a special occasion.

Students should bring their own flowers, foliage and a large plate or tray to safely transport their completed arrangement home. Suitable for beginners, this enjoyable session offers the opportunity to develop practical floral design skills while creating a unique decorative piece.

Course Requirements

No previous experience is required-just bring your creativity and enthusiasm.

What You Will Learn

During this practical floral design workshop, you will learn the fundamental principles of creating attractive and balanced flower arrangements for weddings and special celebrations. You will discover how to condition and prepare fresh flowers and foliage to achieve the best results and prolong their appearance. Using professional arrangement techniques, you will create your own wedding table centrepiece while developing confidence in flower selection, colour coordination and design. By the end of the session, you will take home a completed floral centrepiece ready to display and enjoy.
