T Level Foundation Year in Engineering

Location	Stockport College
Course Type	College 16-18
Department	Engineering
Start Date	Tuesday 1st September 2026
Course Code	SFP-EG2T-1100

Course Overview

The Foundation T Level in Engineering is designed for students aged 16 to 19. It provides additional study time and preparation before starting a T Level in Engineering and Manufacturing. The program includes practical engineering skills, problem-solving, and workplace experience, preparing students for careers in the engineering sector. Upon successful completion, students can progress to higher-level T Levels or apprenticeships.

Course Requirements

Grade 4 in Maths
Grade 4 in Science
Grade 3 in English Language

What You Will Learn

Understand health and safety regulations, learning the responsibilities of everyone in an engineering environment. Master how to share ideas clearly using different communication systems and find key engineering information.
