Department	Childcare & Education
Start Date	Monday 14th September 2026
Duration	Full-time, 3 Years
Time	-
Fee	£ 8450.00
Course Code	SFP-HE4B-1100

Course Overview

The BA (Hons) Childhood Studies Degree is aimed at those who intend to work in the field of childhood and youth services or education, or for those who work within these fields who would benefit from more classroom teaching than the Foundation Degrees. It is aimed at people who are passionate about children and young people, enjoy working in settings where they are and are person-centred. The degree enables students to work in a placement in a relevant setting and combines academic knowledge and practical experience, to enable students to support children and young people.

Course Requirements

Whilst applications are considered on an individual basis, offers are usually based on a requirement to have:

64 UCAS points (those with 48 UCAS points will be considered for interview)

Level 3 qualification in a relevant subject

Other related level 3 qualifications

4 GCSEs at grade C (grade 4) or above, including maths and English

Access to Higher Education Diploma in a relevant area

Related work experience will be considered in the absence of level 3 equivalent qualifications.

Students need a current enhanced DBS certificate, issued within 12 months of the start of the course. This may be applied and paid for at enrolment.

What You Will Learn

A range of themes are covered and delivered by highly experienced tutors. This allows students to acquire knowledge and develop skills in areas and disciplines such as: child development, safeguarding, leadership and management, and education. The placement allows students to gain valuable work experience. Working in the sector offers an opportunity to make a positive impact on both individuals and the wider community.

Assessment

A range of assessment methods are used including reports, essays, presentations, and portfolios. Typically, each module comprises one assessment, carefully designed to support and develop skills in independent thinking and learning.

Progression

Most students choose this option to enhance their career opportunities further. Previous graduates have progressed to careers in management, SENDCo roles, pastoral work in educational settings, social care and community work, family outreach services and youth justice work. Many students progress to further professional qualifications to pursue careers in teaching (Primary, Secondary, or Further Education in Colleges) or social work.
