

## Level 2 Diploma in Bricklaying

Location	Stretford Campus
Course Type	College 16-18
Department	Brickwork
Start Date	Tuesday 1st September 2026
Course Code	TFP-BR2D-1100

### Course Overview

---

This course is designed to better your understanding of the principles of building construction, how to produce cavity walling and building solid walls as well as isolated and attached pillars. You will develop good health and safety practices, learn how to interpret technical drawings, set out masonry structures and construct cavity walls to form masonry structures - all whilst learning to work with other trades.

### Course Requirements

---

4 GCSE's at Grade 3 or above (including English and Mathematics).  
Applicants must have successfully completed a Level 1 Bricklaying course.

### What You Will Learn

---

You will learn, develop and practise a variety of skills to enable you to build, repair and maintain brickwork.

### Assessment

---

You will be assessed on your practical ability to national standards and your theoretical knowledge will be tested by both paper and online exams.

### Progression

---

Successful completion of this qualification will provide you with the knowledge and skills required for either progression into employment or onto a Level 3 Bricklaying Course.

## Career Options

---

Obviously you could be a bricklayer, from which you could then specialise in a particular type of bricklaying like heritage work or stonemasonry. Also, down the line, you could even become a construction site manager.

## Mandatory Units

---

Health, Safety & Welfare in construction

Principles of building construction

Information and communication

Building solid walling

Isolated and attached piers

Interpreting working drawings to set out masonry structures

Construct cavity walling forming masonry structures
