### Course Overview

---

Create a beautiful, personalised bridal bouquet for your wedding or special celebration in this inspiring hands-on workshop. You will be introduced to the principles of floral design, learning how to select, arrange and style flowers and foliage to create a bouquet that reflects your chosen theme and personal taste.

Students will have the opportunity to design and assemble their own bouquet using flowers and foliage they bring with them. Suitable for beginners, this enjoyable session will help you develop practical floristry skills while creating a unique floral arrangement for your special day.

### Course Requirements

---

No qualifications required just a willingness to engage in discussions and activities.

## What You Will Learn

---

During this practical workshop, you will explore a range of wedding bouquet styles and themes to help inspire your own floral design. You will learn how to select and arrange flowers and foliage using basic floristry techniques, while working safely and effectively with materials and tools. The course will also cover how to personalise your bouquet with decorative elements such as ribbons, embellishments and themed accessories, creating a unique arrangement that reflects your style and special occasion.
