Course Overview

Making with mixed media - 3D & Collage using unwanted materials and found objects.

A course in which you will be working with found materials such as cardboard and unwanted 3D objects to give them a new life through creative use of mixed media materials.

This course will be held at St John's Centre, St John's Rd, Old Trafford, Stretford, Manchester M16 7GX

Course Requirements

There are no entry requirements, just a keen interest in art and being creative.

What You Will Learn

- How to transform unwanted materials and found objects into creative artwork
- Techniques for mixed media art using cardboard, paper, fabric and other recycled materials
- How to create 3D structures and layered collage compositions
- Ways to combine texture, colour and form to build unique pieces
- How to experiment with creative ideas and develop your own artistic style
- Skills in repurposing everyday objects into decorative or expressive artworks

Assessment

- Group discussions
- Tutor feedback
- Self-assessment

Progression

Other creative courses such as Floristry, Photography or Ceramics
