Course Overview

Completing this nationally recognised course is an excellent way to kick-start your career in childcare and early years, it introduces you to looking after children and starting your career.

Course Requirements

There are no formal entry prerequisites; however, prospective applicants are expected to possess a genuine interest in exploring the health, social care and early years sector. All prospective learners will undertake an informal interview and complete a skills scan & initial assessment.

What You Will Learn

The course is a combination of vocational units, personal and social development units.

You will study topics including:

Caring for Babies and Young Children

Physical Activities for Young Children

Creative Activities for Young Children

Musical Experiences for Young Children

Assessment

You will be assessed by coursework, assignments and a creative folder.

Progression

Successful students may progress to a level 2.

Career Options

Care Worker

Mandatory Units

To achieve this qualification, learners will need to complete the mandatory units below

ú Understand the Principles and Values in Health and Social Care Introductory Awareness of Equality and Inclusion in Health, Social Care and Children's and Young People's Settings
