Course Overview

This course will provide a taster in the health, social care and early years sector.

Course Requirements

There are no entry requirements to this taster course, however, prospective applicants are expected to possess a genuine interest in the exploration of the health, social care, and early years sector.

What You Will Learn

You will explore the basic skills, knowledge and behaviours that employers are looking for. You will look at the possible career opportunities and what your next steps are. You will be taught theory sessions, participate in discussion and questioning. You will develop your team building, confidence and communications skills. This course is also designed for adults returning to education and looking for a new career opportunity.

Assessment

You will complete written tasks and oral questioning.

Progression

Successful students may progress to a level 1.

Mandatory Units

To achieve this qualification, learners will need to complete the mandatory units:

- Understand the Principles and Values in Health and Social Care
- Understand the Range of Service Provision and Roles Within Health and Social Care
- Awareness of Health and Safety in Health and Social Care
- Awareness of Safeguarding in Health and Social Care
