Course Overview

This course is designed and delivered by a very experienced professional.

Over the sessions, you will learn how to establish the legal status of your business and how to approach a bank for funding. There will be a focus on how to prepare a business plan and how to effectively market your product or service.

Other sessions will look at costing and pricing a service or product and how to monitor income and expenditure and produce a balance sheet.

Course Requirements

This course is for those with little previous business experience. It is not necessary to have a business idea or plan at this stage.

What You Will Learn

The course will allow you to plan and prepare for setting up a business. Sessions will identify potential problems and how to overcome them.

Progression

Students may wish to progress onto a qualification in bookkeeping and accounts. Your Tutor will advise on the best option.
