

T Level Foundation Year in Health and Social Care

Location	Cheadle College
Course Type	College 16-18
Department	Health & Social Care
Start Date	Monday 2nd September 2024
Course Code	CFP-HS2T-1100

Course Overview

The level 2 foundation pathway in Health offers an exciting and challenging progression pathway onto Health T levels and Level 3 qualifications where you will spend four days a week in college and one day a week on a work placement. This qualification provides an insight into the health and social care sector and couples academic learning with practical application to prepare you for progression into your chosen career pathway.

Course Requirements

5 GCSE's at Grade 4 or above (including maths, English Language and Grade 5 in Science).

What You Will Learn

You will gain the following:

- Technical knowledge and practical skills
- Industry-based work experience
- Relevant English, maths and digital skills
- Focused individual support and personal development

Assessment

You will be assessed through a variety of assignments, exams and a placement-based project

Progression

On successful completion of the course you will be able to go on to study our T Level in Health

Mandatory Units

The course provides an introduction to the skills required to work in the healthcare sector in the UK today. During the course, you will study the following modules:

- Biology GCSE
- Human lifespan development
- Dignity and safeguarding vulnerable adults
