# Level 2 NVQ Diploma in Performing Engineering Operations (Mechanical)

|             |                           |
|-------------|---------------------------|
| Location    | Stockport College         |
| Course Type | College 16-18             |
| Department  | Engineering               |
| Start Date  | Monday 1st September 2025 |
| Course Code | SFP-EG2D-1200             |

## Course Overview

---

This pre apprenticeship course provides a good foundation for your future career in engineering, whichever pathway you may wish to follow. It fits directly into an engineering technician apprenticeship and can lead you into many exciting careers in the engineering industry.

## Course Requirements

---

4 GCSE's grade 3 and above (including maths and English Language).

## What You Will Learn

---

You will learn the fundamental skills and knowledge common to all engineering practices, including health and safety requirements and communicating engineering information.

## Assessment

---

All assessments are skills based, there are 3 assessments plus underpinning knowledge questions for each unit.

## Progression

---

Engineering Apprenticeship

Level 3 Btec AME (dependent on gaining grade 4 Maths and English)

Level 3 EAL Engineering Technologies (dependent on gaining grade 4 Maths and English)

## Career Options

---

Engineering Machinist  
Technical Support Engineer  
Aviation Engineer  
Mechatronic Engineer

## Mandatory Units

---

Health and Safety  
Communications  
Working efficiently and Effectively  
Business Improvement Techniques
