Fee	£ 362.00 You may be eligible for support with your tuition fees - please visit the college website - funding and finance page for further information
Course Code	SPQ-AC2C-1700

Course Overview

If you are keen to start to work in accountancy and financial management, our Level 2 course will introduce you to the basics of the industry. You will have weekly sessions on site as well as online resources to support your learning for the day time classes.

Course Requirements

You must be aged 19+. You will be asked to complete an initial assessment to ensure your numeracy and literacy skills are sufficient to do well on the course. You should be working towards a minimum of level 1 for both Maths and English to commence the programme. You must have access to a computer/laptop at home supported by Wi Fi.

What You Will Learn

This course will provide a broad and in-depth introduction to the accounting function. Students will be able to develop their skills in finance administration, which involves basic costing principles, double-entry bookkeeping, and purchase, sales and general ledgers. Students will learn how to check the accuracy of transactions, calculate sales invoices and credit note and make entries in relevant books and ledgers.

Assessment

Examinations per unit

Progression
