Course Overview

This introductory practical course is for people interested in learning the basic principles and techniques of basic Painting and Decorating.

Course Requirements

Participants are not required to possess any previous knowledge or expertise. We welcome individuals with a genuine enthusiasm for the subject and a willingness to actively engage and contribute.

What You Will Learn

You will learn how to identify the correct background preparation and the mixing and application of paints. You will also learn the correct process and application of wallpaper to walls.

The course is of value to anyone wishing to build their skills to undertake small DIY home projects, home renovations, craft projects or to simply learn a range of new skills.

Assessment

There will be no formal assessment.

Progression

Potential progression to level 1 and level 2 Painting and Decorating programmes.

Other courses available to support your learning:
