

# Level 3 Access to HE Diploma (Engineering)

Location	Stretford Campus
Course Type	Adult
Department	Access to Higher Education
Start Date	Monday 15th September 2025
Duration	Full-time, 1 Year
Time	09:20 - 15:20
Fee	£ 3928.00 You may be eligible for support with your tuition fees - please visit the college website - funding and finance page for further information
Course Code	TFP-AH3D-1200

## **Course Overview**

This course is designed to prepare mature students for university level study. If you want to progress into Higher Education study in any area of Engineering, including Mechanical, Electrical, Electronic, Automotive, Aeronautical, Civil or Product Design, this course will give you an excellent good introduction to the subject.

In 2022-23, 100% of students on our Access Engineering diploma secured offers of university places. This compares with a progression rate of just 55.4% across all Access diploma courses in England and Wales.

The course runs for an academic year and you will be in college three days per week for 32 weeks. You will be attending for 13 hours per week (12 hours of lessons and 1 hour of tutorial). You will also need to allow at least 12 hours per week for private study and assignment completion. Approximate times: 9.20am - 3pm (exact times to be confirmed)

### **Course Requirements**

This course requires you to have achieved GCSE English Language and Maths at grade C/4 or better before enrolling on the Access Diploma. Please note that for some degree courses you will also need GCSE Science at grade C/4 or better.

In some circumstances, we can accept Functional Skills Numeracy level 2 instead of GCSE Maths.

If you don't meet the entry requirements, don't worry. You can apply for our level 2 pre-Access course which will prepare you for the Access to Higher Education Course.

### What You Will Learn

On this Access Diploma, you will study modules in Maths, Mechanical Engineering and Electrical Engineering. In addition, you will complete a module of ungraded Developmental units, which are designed to develop the academic and study skills you need to be a success, not only on the Access Diploma, but also in your future university-level studies.

#### Assessment

Assessments include reports, practical reports, case studies, open or closed-book examinations and verbal, visual or IT-based presentations. All modules will include an element of time-constrained assessment which will contribute towards the final module grade.

#### Progression

Most university admissions will accept the Access to HE Diploma as an entry qualification for Higher Education, but there may be some degrees for which this certificate alone may not be acceptable. The suitability of the course for your ultimate career aim will be discussed at interview.

Progression from this pathway can be on to degree programmes such as Automotive Engineering, Motorsport Technology, Electrical, Design or Mechanical Engineering, Civil Engineering, Architecture and many more.

### **Career Options**

Mechanical engineer, electrician, civil engineer, automotive engineer, architect

### **Mandatory Units**

Mechanical Engineering, Electrical Engineering & Maths
