Course Overview

Our level 3 qualification offers you the chance to build upon skills gained at Level 2. Through the study of final accounts preparation, management accounting and VAT you will gain confidence in industry practice. In addition, you will gain invaluable skills in spreadsheet software and understand professional ethics in accounting. You will be provided with online resources to support your studies alongside your face to face classroom sessions.

Course Requirements

You must be aged 19+. You are expected to have achieved GCSE Maths and English at a grade C or above and a merit at level 2 accounting. You will be asked to complete an initial assessment to ensure your numeracy and literacy skills are sufficient to do well on the course. You will be expecting to be working towards a minimum of a level 2 for both Maths and English to commence the programme. You must have access to a computer/laptop at home supported by Wi Fi.

What You Will Learn

On this course, students will learn about tax processes for organisations and the principles of payroll. Students will also further their knowledge of how to use advanced double entry bookkeeping, prepare financial statements, complete financial statements for sole traders and partnerships, and prepare accounting records.
